

SELF PAY TUITION DISCOUNT

Hello Self-Pay Parents!

November 1, 2023

You have lots of options for your child's supervision and instruction. Thank you for choosing M1KA.

We believe so strongly in people having a relationship with Jesus, and with His people, we offer a **20% tuition discount to those who attend M1 Church (2 Sundays monthly) and serve in a regularly scheduled Sunday ministry (i.e. worship, nursery, café', M1Kids, etc.)**.

You may not be aware, but our tuition rates are actually set by the state of Ohio's Job and Family Services Department. This is why we are only legally allowed to offer this to self-pay parents.

Since the M1KA was started as a ministry of M1 Church over 30 years ago, and is supported fully by the church, it seems odd to charge full tuition to those who already support the church.

If you would like to start this process, have questions, or would like further details, please contact either of us listed below.

Thanks again for allowing us the privilege of loving and serving your children!
